### ACLS Prep

The current ACLS Provider and Renewal courses require that participants have a complete understanding of cardiac Dysrhythmias and cardiac pharmacology PRIOR to enrolling in an ACLS course. This course will provide an overview of both ECG rhythms as well as medications given during ACLS emergency situations to assist the student in successfully passing ACLS. The ACLS textbook is required for this course and can be purchased the day of the class, at the Flex Ed office, or can be mailed (\$40 text fee plus \$5 for shipping). Additional study materials will be given out at class. This course is not required by the AHA prior to taking ACLS, but is highly recommended for those that are not very familiar with the pre-requisite ECG and pharmacology information.

### ACLS Provider

++ Through the ACLS course, healthcare providers will enhance their skills in the treatment of the adult victim of a cardiac arrest or other cardiopulmonary emergencies. Each participant is evaluated individually on their ability to demonstrate core course knowledge and skills. This course will prepare you to work as a team member and team leader in a code situation. Participants must have the textbook ahead of time and complete the Pre-course Preparation Checklist in the Provider Manual. This includes the online self-assessment. Participants who are interested in a review of ECG's and ACLS Pharmacology are strongly encouraged to first attend an ACLS Prep course. Textbooks are available for purchase at the Flex Ed office or can be mailed (\$40 text fee plus \$5 for shipping). The last day of 2-day Providers are scheduled for 7 hours.\*\*

### ACLS Renewal

The ACLS Renewal course is designed for participants with a CURRENT ACLS Provider card. Each participant is evaluated individually on his/her ability to demonstrate core course knowledge and skills while acting as a team leader. Significant pre-course preparation is essential to course success. Participants must have the textbook ahead of time and complete the Pre-course Preparation Checklist in the Provider Manual. This includes the online self-assessment. Appendix A provides an overview of skills testing expectations. Participants who do not practice ACLS skills on a regular basis are encouraged to attend an ACLS Prep course prior Renewal or the full ACLS Provider course. Textbooks are available for purchase at the Flex Ed office or can be mailed (\$40 text fee plus \$5 for shipping). \*\* You will be required to present your CURRENT ACLS Provider card the day of the course.

### Chemotherapy and Biotherapy - ONS

This course is designed specifically for the Registered Nurse working in Oncology. We will utilize material and curriculum published by the Oncology Nursing Society (ONS) to verify that participants have the didactic knowledge necessary to practice at the bedside with an experienced chemo RN. Individual facilities are responsible for validating chemo administration competency. Topics covered will include the pathophysiology of cancer, diagnosis, legal & ethical issues and patient teaching. Significant course time will also be spent on common chemotherapeutic agents, administration of chemotherapy and biotherapy, the effect of chemo on body systems and safety measures. Upon completion, participants will receive an ONS Chemotherapy Provider Card valid for 2 years. Other licensed participants including LVNs, Pharmacists and Respiratory Therapists are welcome to attend for information and continuing education, but are not eligible to receive the Provider Card. Note: All students must complete the course evaluation through ONS to receive card after successfully completing course. Please visit [Http://evaluationcenter.ons.org](http://evaluationcenter.ons.org) to obtain your CNE certificate.
